## Ramona High School Class of 1970 40-Year Reunion

A warm welcome to all Ramona Class of '70 alumni and guests! Tonight is a special night as we celebrate 45 years since we graduated from high school. We're glad you took the time, energy, and expense to set aside this evening to gather with fellow classmates and friends, to reminisce a little about the old days, and to catch up on what everyone has been doing since you last saw them.

This memory book contains contact information for those alumni who responded, along with other information that can provide a springboard for conversation. Be sure to look for some of the recurring themes among the entries... maybe you have a specific hobby, memory, or favorite teacher in common with someone here tonight. And then there are the quirky entries just waiting to be discovered... can you find the most provocative e-mail address? Who has the most grandkids? Who had a secret crush on whom? And who found their soul mate at Ramona?

Have fun, and we hope to see you in five years at our 50-year reunion!

Sundance Kid... being at the train engine  
in Fairmount Park... wow...  
Teacher: Mr. Klock, biology... kept everyone  
interested, and was fair to all...  
including his blind pet bullfrog in the  
bathtub! Whenever I'd read or hear  
about the "fruit fly" epidemics out west,  
I'd immediately flashback to the biology  
experiment with the fruit flies in the big  
gallon jars... and us releasing the "adult"  
flies after counting them outside. I  
always wondered if we were to blame  
for the fruit fly epidemic years later?!?!

Occupation: Human resources consultant  
Hobbies: Playing with my grandkids, BYU  
football, swimming, travel  
Memories: I was a member of a cool  
bluegrass band called the Woodland  
Elves and Gnomes. Steve Zappe played  
the mandolin; Gary Murray played  
banjo and fiddle; Gary Carner ('69)  
played the string bass; Charles Larson  
played the jug, gut bucket, spoons, Jews  
harp; and I played guitar and Dobro. All  
were Ramona students. One of my  
favorite High School memories was  
performing with this group at an  
assembly in front of the student body. It  
was electric.  
Teacher: Mr. Phelps French 1 and 2. Other  
than my coaches, he is the only teacher  
I remember. Teachers don't remember  
students either. I served for two years  
as a full time missionary for the church  
of Jesus Christ of Latter Day Saints  
(Mormon) in French speaking Quebec  
Canada. The lessons I learned from Mr.  
Phelps in French 1 and 2 served me very  
well! Thanks Mr. Phelps.
