

**RAMONA HIGH SCHOOL  
CLASS OF 1970  
(50 + 1)-YEAR REUNION**

**April 2022 Alumni Address Book**

## Ramona High School Class of 1970 2022 Address Book

This is the listing of 723 known and presumed addresses for alumni from the Ramona Class of 1970. Some addresses are confirmed, and they appear in the companion volume of the “Memory Book” provided the evening of the reunion. An alumnus’ contact information is included in this listing if the mail-out from the July 2021 (50+1)-year reunion announcement was not returned undeliverable. All listings were further evaluated by a mailing list service looking for recent changes of address. As far as birthdays, most of them have not been confirmed, but they’re probably close. A question mark indicates that a person used to have a known email address, but now it’s unknown.

Items in blue indicate two alumni share the same addresses and phone numbers... probably because they’re married to each other.

If you have corrections or changes to this list (either for you or somebody you know), please send the current information to Steve Zappe (his contact information is in this list, and it’s correct). Thanks!
